## International Airports of India – A Complete List

Airports in India are managed by Airports Authority of India (AAI). It works under the Ministry of Civil Aviation and it is responsible for creating, upgrading, maintaining and managing civil aviation infrastructure in India. It provides Air traffic management (ATM) services over Indian airspace and adjoining oceanic areas.

### **AAI has four training establishments.**

- The Civil Aviation Training College (CATC) at Allahabad
- National Institute of Aviation Management and Research (NIAMAR) at Delhi
- Fire Training Centres (FTC) at Delhi & Kolkata.

AAI has undertaken GAGAN project in technological collaboration with Indian Space and Research Organization (ISRO), where the satellite based system will be used for navigation.

**RK Srivastava is the present Chairman of Airport Authority of India**

**Civil Aviation Minister Ashok Gajapathi Raju**
